Any students who have more than one examination in one session will need to inform Ms Dooling (Exams Officer) and alternative arrangements will be made to sit one of these papers at a different time.

These exams should not be taken lightly, as this is an excellent opportunity for students to see how far they have progressed in preparation for their final exams in May and June 2019. These results will be used to inform predicted grades on applications for the Sixth Form and any references students need to obtain. They will also help teachers decide on the relevant tier of entry where applicable for the final exams.

Any questions, please do not hesitate to contact myself, Mr Greig or Ms Roper.

Yours sincerely,
