

Dear Parents and Carers

What a year we have had at Chace!

I do hope you have all had a chance to follow us on one of our social media accounts to see all of the wonderful opportunities and experiences that have been occurring daily this year. All of this is down to the talented team of staff at Chace, committed to ensuring that every student has opportunities to be the best that they can be in their studies and beyond the classroom. As we come to the end of this academic year, I would like to extend my thanks to the whole Chace team for their commitment and hard work this year.

At the heart of all of this is a shared determination to continue to raise standards. We welcomed one of Her Majesty's Inspectors to Chace this year who confirmed that standards are improving rapidly. This year we have seen clear improvements in teaching and learning; student progress and outcomes and behaviour and attitudes. All in all, this has led to Chace not just being a better school, but also a happier school.

Thank you to all parents, carers and friends for your continued support throughout the year. I wish you all a pleasant and restful Summer and look forward to welcoming the children back to school in September.

Headteacher

End of term arrangements—On Friday 19 July students will be asked to bring a tin/dried food item to wear non-uniform. The Enfield Foodbank will collect the food at 9.30am. Maggie Ioannou following her Big Head Shave is raising additional funds for Cancer Research UK and the Student Council will have buckets at the gate to collect donations.

Students will be dismissed from school from 12pm.

Start of term arrangements—Monday and Tuesday 2nd and 3rd September—INSET days (school closed)

Wednesday 4th September—Year 7 return at 08.40am and Year 12 at 08.50am

Thursday 5th September—whole school returns at 08.40am

Headteacher: Daniel Bruton BA (Hons) NPOH

2 July 2019

Dear Parents/ Carers,

From September 2020, the Department of Education has made the teaching of RSE (Relationship and Sex Education) mandatory in secondary school settings.

Schools have also been given the opportunity of becoming 'early adopters'. I am pleased to inform you that Chace is one of the UK's 1500 'Early adopter' schools ready, and able, to deliver the new RSE content from September 2019.

To that end, under the new legislation, we would like to offer you the chance to consult with us regarding our RSE policy. The policy is available on the school website:

<https://www.chace.enfield.sch.uk/ccs/wp-content/uploads/2019/05/Spiritual-Personal-and-Social-Development-Policy.pdf>

We are also interested in hearing your opinions regarding our proposed new provision. There have not been major changes made to the 'Lifeskills (PSHE)' provision since it was written, specifically for Chace, and first delivered in 2017-18. The proposed provision from September 2019 includes content on 'Families', 'Respectful relationships', 'Online and media', 'Being safe', 'intimate and sexual relationships', 'mental wellbeing', 'internet safety', 'physical health and fitness', 'healthy eating', 'drugs' and 'adolescence', as per DfE guidance.

We have planned these topics sensitively and in an age appropriate manner, with the goal of educating students about issues they may face now, and in the future. In years 7-9 students will receive one 50 minute Lifeskills lesson per week. In years 10 and 11, students will receive a weekly 20 minute Lifeskills 'session'. The new scheme of learning, incorporating all of the above proposed provision, is overleaf.

We look forward to welcoming your comments and feedback regarding the new provision. Please email the head of Lifeskills, Mr Ellis, with any comments or questions you may have:

bellis@chace.enfield.sch.uk

All information is available on the Chace website. Please also find attached a guide produced by the DfE (June 2019) which may provide some further useful information.

Yours sincerely

Daniel Bruton

Maths in Action

Sometimes we have students who join us from primary school with a fear of maths. We do all we can to help Year 7 students gain confidence and a love of maths including getting them to prepare questions for their peers (we have some aspiring maths teachers / professors in the making!). They are all so enthusiastic to get involved with their learning, challenging themselves and their peers – it is very inspiring.

Here are some of the photos of maths in action this year. The Maths department would like to thank you for all your support from organising your children's equipment, supporting them through exams and with homework. Together we can really help our students be the best they can be.

Miss S Chemjong – Teacher of Mathematics

Year 12 Psychology

To end our Attachment Topic in A level Psychology, Year 12 students made their very own egg baby and had to look after it as if it were their child for one week. The students undertook this task with enthusiasm and commitment and looked after their babies brilliantly. Each student created a digital scrapbook to document their week with their babies and to reflect on their parenting joys and challenges.

They were also able to apply and evaluate a range of theories from our Attachment topic and reflect on their validity and implications of Psychological research and theory related to the complexities of parenting.

The project was a huge success and Christina Palmier and Jessica Lynch won prizes (Psychology books) for their outstanding effort and exceptional digital scrapbooks.

Alison Wiggins Psychology Teacher

African Drumming Workshop

Year 8s took part in an African Drumming workshop. Students showed their skills by using key words such as 'pulse' and 'syncopation' from their Blues and Jazz work, to answer questions.

Mr Carmichael Teacher of Music

Year 7 Singing Day

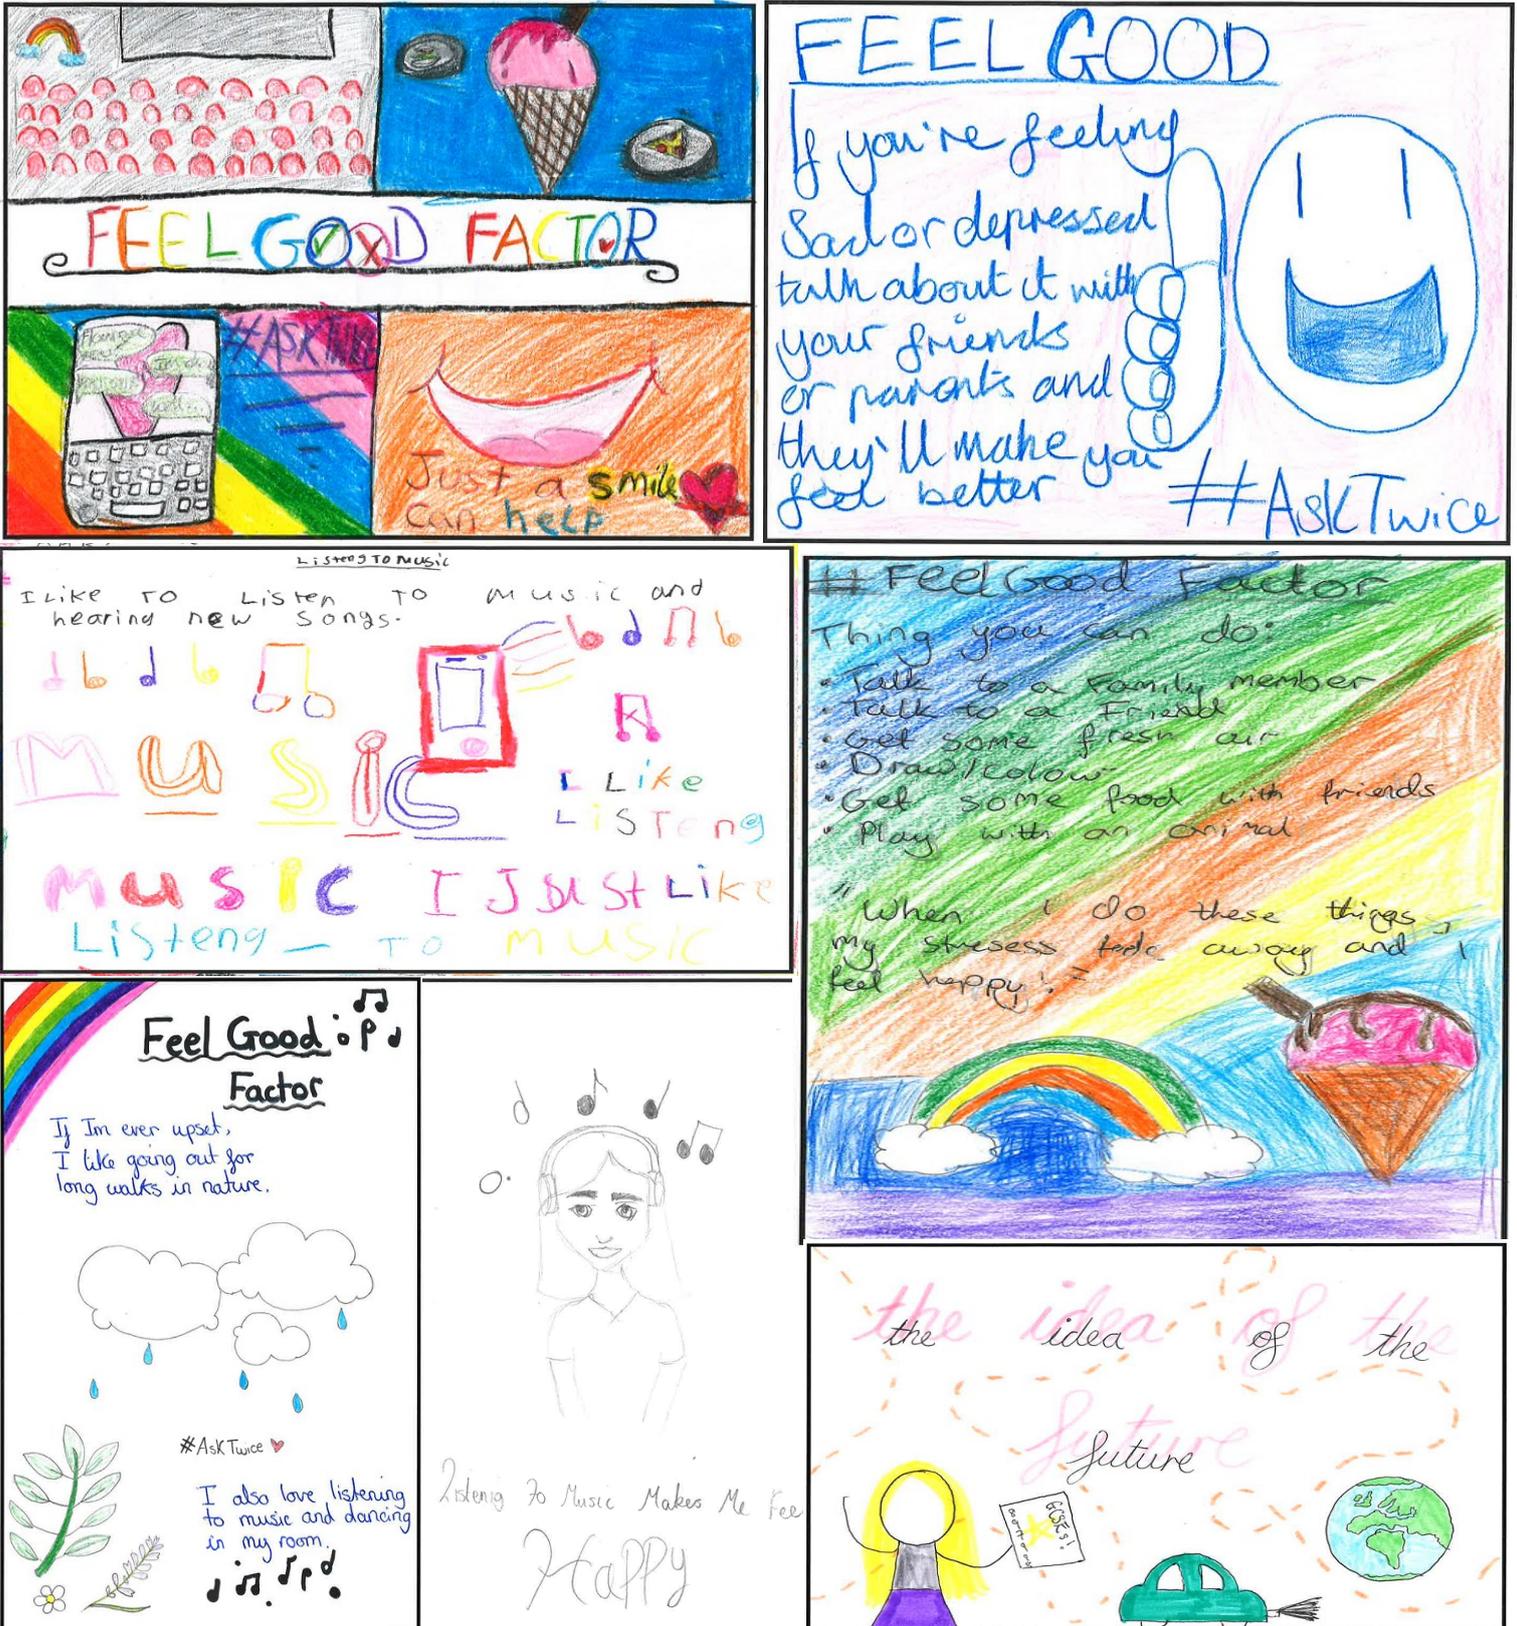

Year 7 spent the day singing together in a Bohemian Rhapsody day, celebrating the music of Queen. Each form performed their own song with soloists, instrumentalists, dancers and special effects to entertain each other and presented their homework projects on Queen for the last few lessons. We were reminded of the 1985 Live Aid Concert, with students donating food to the Enfield Foodbank. Thank you to Mr Carmichael and Ms Davies for all of their hard work. Year 7 are the champions!

Feel Good Factor

#Ask Twice

Sometimes we say we're fine when we're not. With 1 in 4 people experiencing a mental health problem this year alone. If a mate says he's fine, he might not be. To really find out, ask twice. We asked our students to design a poster around what makes them feel better which we have used to promote the #Ask Twice campaign in school.

Community Help Point scheme

The Local Authority wanted to share with you some information about our Community Help Point scheme known locally as CHiPs. Many of you will be very familiar with the scheme. CHiPs locations are identified by the blue H, and are safe places where children and young people can get help if they feel in danger. The information attached tells young people what it is all about.

Please be reassured that all of the premises that are CHiPs businesses have had safeguarding checks and training provided. If you would like more information please check out the website or contact the CHiPs email address.

Who can you go to for help if you get lost or feel at risk or vulnerable?

There is a network of Community Help Points (CHiPs) in Enfield, where staff have offered to provide a safe haven for anyone in need of support.

STAFF AT HELP POINTS CAN:

- ✓ Make a phone call to get help for you.
- ✓ Allow you to stay in the premises until help arrives or until a risk has passed.
- ✓ Call the police if you are the victim of crime.
- ✓ Call a member of your family or a care team if you need more help.

There are around 200 help points in Enfield and these can be recognised by the blue H logo. Please let your friends and family know about the scheme. You can find CHiPs locations along your journey on our map by visiting havesomechips.com

WHAT IS THE COMMUNITY HELP POINT SCHEME?

CHiPs has been a network of 'safe havens' across the Borough of Enfield since 2006, where young & vulnerable people who are lost, at risk or feeling vulnerable can go in and ask for help & assistance from the community.

WHAT DO MEMBERS HAVE TO DO?

Members display the CHiPs H logo & can make a phone call to get assistance for someone, allow someone to sit in safety for a while until a risk has passed, give someone directions on how to get to their chosen destination, call the police, medical or social care teams.

WHO ARE CURRENTLY MEMBERS?

We have around 200 chips points across the borough – these include schools, leisure centres, libraries & a network of shops as well as other street-front businesses. You can find a map of all current CHiPs locations on facebook & havesomechips.com

Reducing our war on single use plastic

From September we will not be selling bottled water in the Diner to students in the start of Chace's bid to reduce our carbon footprint and be more eco friendly. Students should bring in their own reusable bottles. We will provide jugs of water in the Diner or students can use the water fountains outside to refill their bottles.

Moving house or if you have moved

If you are moving or have moved home and or change your home/mobile number or email address please could you notify the school in writing or send an email to chace@chace.enfield.sch.uk

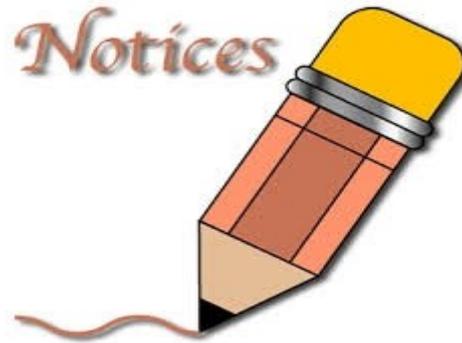

Lost property

CHILDREN LOSE AN AVERAGE OF

7 ITEMS PER MONTH

If your child is missing any items of school uniform or PE kit please ask them to see Mrs Molden, Welfare Officer to access lost property items.

Do you forget to pay for your child's school meals or does your child forget to mention that they have no money on their dinner account?

If so, ParentPay have a FREE low balance reminder service where you can have an alert sent to you by email.

Here's how to set this up:

Log into ParentPay and click on "Communication" followed by "Alert Settings".

You can then choose from a number of options, including setting a limit on the dinner money balance before the system triggers a reminder email.

Don't forget to click on Save when you are finished.

For information, there is also a text reminder service but this has a small charge associated with it.

If you have any questions about this or ParentPay in general, please contact the Finance Office.

Tracey Jenkins—Chair of Governors

Dear Students, Parents and Carers

I cannot believe we are approaching the end of another academic year at Chace. It seems to have flown by with so much to celebrate our young people for. This year we have been so very proud of how our students have conducted themselves in their GCSEs, A Levels, mock exams and assessments. Throughout the year groups we have seen a positive attitude to lessons and homework.

As Governors we have enjoyed many visits into school. The GCSE and A Level art exhibitions, were as always outstanding. Each year I think I cannot be as impressed as the year before. Thank you to our fantastic dedicated art department for the long hours they put in.

In June Ms Morgan, and myself were invited to judge the First Give Final at Chace, with other members of the local community. It was a pleasure to welcome the Mayor Of Enfield to judge with us. Many of the charities that year 9 researched and worked with attended the event, and we were immensely proud of the hard work, creativity and sensitivity that our year 9 forms put into their presentations. Congratulations to 9LHU for their excellent presentation that meant the Enfield Carers Centre just a few minutes walk from our school benefited from the winning prize of £1000.

As many of you know we were visited by Her Majesty's Inspectorate in May. Governors are extremely pleased with the outcome of the visit and the report published. We are delighted that the hard work that we have witnessed by all staff and pupils has been recognised in such a positive way.

Finally I would like to thank all the whole Chace team for their tireless commitment to the pupils at Chace. As a parent myself who's daughter has just finished her GCSE exams I am indebted to them for the amount of time given over and above to our children. I thank Mr Bruton, Ms Douglas and Mr Vekaria for leading our school with such energy, commitment, enthusiasm and strength.

On behalf of my fellow Governors I would like to wish you all a restful summer. We trust that all your hard work will show in the results in August, and we wish our young people leaving Chace this summer every success in their future plans.

Tracey Jenkins

Hilde de Groot, Chair of PTA

July 19

Dear Parents and Carers,

I would like to thank all of our volunteers who have helped tirelessly this school year to keep our events running smoothly and to raise an impressive amount of money for the school.

This year we have donated £13,000 towards the new sports court, £4,000 towards the year 7 trip to Tolmers and £750 towards new books and equipment in the library. We have sourced a fridge for food technology and gathered a few props for the drama department. We also served many cups of teas and coffee to our teachers at parent teacher consultation evenings.

Finally, a big thank you to all the parents who have come to our quiz nights and made it so much fun. Thank you for coming to the popular craft fair last November and making sure the cakes sold out. Also, thank you for donating all those unwanted clothes and shoes that enabled us to raise money.

Do come and say hello to us on a parent teacher evening. We sell refreshments at every parent teacher consultation evening and we are looking forward to meeting you to hear about your crazy fundraising ideas that we have not come up with ourselves.

This coming September I will be passing on the baton to a new chair. If you'd like to find out who the new chair is going to be or you'd like to find out what we do every year and get involved, then you are very welcome at our AGM which will be held on the 12th of September 2019 in the Library.

I wish you all a wonderful summer holiday.

Hilde de Groot

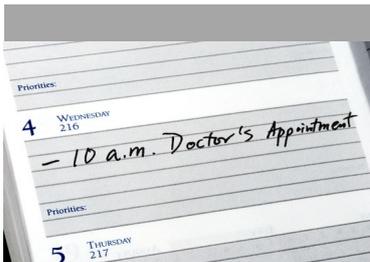

Dates for your Diary—Summer 2019

- Friday 19th July - **END OF TERM (students dismissed from 12pm)**
- Thursday 15th August - A Level Results Day
- Thursday 22nd August - GCSE Results Day

Dates for your Diary—Autumn 2019

- Monday 2nd September - **INSET (school closed)**
- Tuesday 3rd September - **INSET (school closed)**
- Wednesday 4th September - Y7 and Y12 Induction Day
- Thursday 5th September - Term Starts for Whole School
- Friday 13th & Saturday 14th September - Year 7 Tolmers Trip
- Tuesday 17th September - HPV vaccinations
- Wednesday 25th September - School of Rock Theatre Trip
- Thursday 26th September - Year 7 Parents' Information Evening
- Wednesday 2nd October - Open Evening
- Thursday 10th October - Year 10 Parents' Q&A Evening
- Year 11 Parents' Consultation Evening
- Monday 21st October to Friday 25th October - **HALF TERM (school closed)**

For more information see <https://www.chace.enfield.sch.uk/ccs/calendar-month/>

Appointments

If your child needs to leave school to attend an appointment please provide a signed note with your permission for them to do so and the original appointment

booking.

Thank you

Answer Machine Attendance Line

The school has an answer machine for attendance calls which enables parents/ carers to leave a message regarding student absence at any time. If a student is unwell and will not be in school, please ring Mrs Morter on **020 8352 8217** on each day of absence.

Inconsiderate and dangerous parking

outside and around school

If you use your car to bring or collect your child from school, please be considerate to our neighbours and mindful of student safety

- No parking on single or double yellow lines
- No **stopping, dropping or parking** on the School Keep Clear yellow zig zags
- No double parking or blocking driveways

Please help us with attendance and punctuality by sending your son/daughter to school unless it is a serious reason so we really can work together for them to achieve their full potential.

Thanks in advance for your support

Mr Vekaria and the Pastoral Team

Dear Parents/Carers

Any absence from school—including holiday, weddings, funerals and passport renewals need to be authorised by the Headteacher, Mr Bruton, and require a letter of request from the parent / carer.

**Mrs Morter
Attendance Officer**
