

WELCOME

We've opened the doors to a superior catering experience at The Pantry Kitchen restaurant, where you can tuck into whatever you fancy! Every menu - from Breaktime to Lunchtime and everything in between - changes with the season, so you're only ever eating the best ingredients, when they're at their best. We rotate your menus on a 3-week basis, so you'll never be stuck eating the same thing. We're not shy about feedback either. Your input is priceless to us, so we'll work with students, parents, carers and teachers alike to create a service that is uniquely Chace Community School!

With a mix of traditional and contemporary main meals, sides, and desserts, together with a stunning selection of Street Foods, we've got you covered whether you're eating in or on the go. We offer a complete range of freshly prepared sandwiches, bloomers, baguettes, salads, and jacket potatoes. Your kitchen has its own trained chef, who makes all your meals from scratch, using the freshest ingredients to create meals that bring the best of the High Street right to your Pantry Doors.

We have a bumper range of monthly promotions and deals for you to look out for. All our delicious meal deals are £2.50 each - just check out the posters on your Pantry counter or the website to see exactly what deals are available.

If you have any questions regarding a special diet that our catering team could support you with, please do not hesitate to contact our Nutrition Team on nutrition@thepantrycatering.co.uk.

If you have any enquiries - just click or call. We can be reached on 020 8813 7040 or office@thepantrycatering.co.uk from Monday - Friday 7:00am-4:30pm.
