

Chace Careers Programme

2026/27

Careers Education, Information, Advice and Guidance (CEIAG) at Chace seeks to holistically prepare students for their future. It is a comprehensive careers programme that provides aspirational and realistic career goals for all of our students, and clearly links curriculum learning to careers. We seek to provide students with the knowledge and experience to make informed decisions for their future choices in the workplace, higher education or training.

To achieve this aim, we follow the Gatsby Benchmarks of Good Careers Guidance framework to develop and improve our careers provision. The programme was extensively reviewed in the summer of 2025 to ensure compliance with the updated benchmarks.

The eight Gatsby benchmarks of Good Career Guidance are:

1. A stable careers programme
2. Learning from career and labour market information
3. Addressing the needs of each pupil
4. Linking curriculum learning to careers
5. Encounters with employers and employees
6. Experiences of workplaces
7. Encounters with further and higher education
8. Personal guidance

Key Staff Linked to CEIAG

Named members of staff have responsibilities for CEIAG at Chace:

Strategic Careers Lead - Amanda Roper. The Strategic Careers Advisor has oversight of the careers programme and ensures that it is compliant with statutory requirements, as well as being aspirational for all students.

Governor link - Tracy Jenkins. They take a strategic interest in CEIAG and encourage employer engagement.

Careers Coordinator - Anna Abeli. The Careers Coordinator leading, managing, developing and improving the careers provision offered at Chace. They oversee the implementation and organisation of the careers programme.¹

Careers Adviser - our impartial careers adviser offers impartial careers advice, recording all interactions with students on Unifrog.

Monitoring and reviewing careers provision

When monitoring the success of the careers programme, the school considers formal and informal measures, qualitative and quantitative data and hard and soft outcomes for students.

The careers programme is evaluated in a number of ways, including:

- student feedback on their experience of the careers programme and what they gained from it
- staff feedback on careers lessons, career day activities, mock interviews etc
- gathering informal feedback from external partners and from parents
- quality assurance of careers lessons as part of the life skills programme
- student destination figures post-16 and post-18
- Interactions on Unifrog mapped against Gatsby benchmarks
- Use of the Compass audit
- Use of the Future Skills Questionnaire across year groups.
- Review of the destinations data

A review process will take place fully each year, with regular reviews after key events and data collections.. Information about destinations and students who remain NEET, which is provided by the LA, will also inform our review process. The CEIAG offer is adapted according to the review to ensure that the support remains relevant and impactful to students.
