

16-19 Tuition Funding Statement Chace Community School

Summary information			
School	Chace Community School		
Academic Year	2023-24	Total 16-19 Funding Received	£14,772

Guidance	
<p>-Our delivery meets the purposes set out in the following DfE guidance</p> <p>- Children and young people across the country have experienced unprecedented disruption to their education as a result of coronavirus (COVID-19). Those from the most vulnerable and disadvantaged backgrounds will be among those hardest hit. The aggregate impact of lost time in education will be substantial, and the scale of our response must match the scale of the challenge.</p> <p>- The 16 to 19 tuition fund is one-off funding for the 2023 to 2024 academic year. It is ring fenced funding for schools, colleges and all other 16 to 19 providers to mitigate the disruption to learning arising from coronavirus (COVID-19)</p>	
Use of Funds	Recommendations (including from the EEF)
<p>The funding are being provided to support small group tuition for 16 to 19 students in English, maths, and other courses where learning has been disrupted.</p> <p>All supported students must be on a 16 to 19 study programme. The funding should be used to support the tuition activity above and beyond the programmes of education already planned for 2023 to 2024.</p>	<p>Targeted approaches</p> <ul style="list-style-type: none"> <input type="checkbox"/> One to one and small group tuition <input type="checkbox"/> Intervention programmes <input type="checkbox"/> Extended school time

Providers need to consider what will be most effective for their students, considering students' needs and local circumstances. Providers have flexibility to decide the most appropriate approach to resourcing the delivery of small group tuition supported through the fund.

Planned expenditure				
Desired outcome	Chosen approach and anticipated cost	Impact (once reviewed)	Staff lead	Review date?
Those students without grade 4 in English language or Maths GCSE resit these courses successfully.	<p><i>Selected students who currently have not reached grade 4 in these subjects to be offered one to one tuition from MyTutor weekly. 10 week programme.</i></p> <p><i>Number of students identified: 17</i> <i>Identification made by analysis of GCSE grades</i> <i>Cost: £6,000</i></p>	<p>Improvement in confidence in these subjects and wider confidence in accessing their level 3 courses.</p> <p>Students achieve grade 4 in resit GCSE.</p>	ARP	Entries made for GCSE in Feb 24.
