

KS4 Long Term Curriculum Plan: Art year 11

<p><u>Curriculum Aim:</u></p> <ul style="list-style-type: none"> ● Actively engage in the creative process of Art, Craft and Design in order to develop as effective and independent learners, and as critical and reflective thinkers with enquiring minds. ● Develop creativity when exploring and creating work. ● Take risks and learn from experience when exploring and experimenting with ideas, processes, materials and techniques. ● Develop critical understanding through investigative, analytical, experimental, practical, technical and expressive skills. ● Develop and refine ideas and personal outcomes with increasing independence. ● Acquire and develop technical skills through working with a broad range of media, materials, and techniques. ● Develop knowledge and understanding of Art, Craft and Design in historical and contemporary contexts, societies and cultures ● Develop an awareness of the different roles and individual work practices evident in the production of Art, Craft and Design in the creative and cultural industries GCSE <p>Art studies prepares students to make informed decisions about further study and progression. Active participation is built into all lessons, through crits, sharing ideas, discussion and tutorials.</p>
<p><u>Link to prior learning:</u></p> <p>Students will build upon the techniques, process, materials and understanding developed in year 10. They will develop their use and application of subject specific terminology and the effects these have on visual imagery. These skills will continue to develop through further exploration and experimentation in year 11.</p>
<p><u>Rationale of sequencing:</u></p> <p>The knowledge and skills which have been embedded in year 10 are further enhanced through continued exploration of processes and materials.</p>

Many tasks at GCSE are individual and based around 1-1 tutorials with their teachers. Students who are the most successful lead their own learning and are facilitated with how to explore these ideas based on teacher feedback and group critiques. Art History will be covered in all terms, looking at the wide and varied History of Art, Craft, Design, Photography and Architecture, specifically focusing on analytical, historical and sociological aspects which influence artists / designers work.
