## July 2017

### Celebrating students work

Congratulations to the GCSE, A'level art and photography students of 2017.

Below are a few examples of the successful pieces that were produced. The work is the result of two years of dedication, hard work and commitment, well done to all those involved and thank you to those who came along to support.

## Important reminder

Under exam regulations the art department will need to keep students work until the 2<sup>nd</sup> of October, after this time students are free to collect their work. As we are unable to store the work for a long period of time any work not collected by the 4<sup>th</sup> of December will be disposed of, unless it is on display. Thank you

## End of year KS3 exam

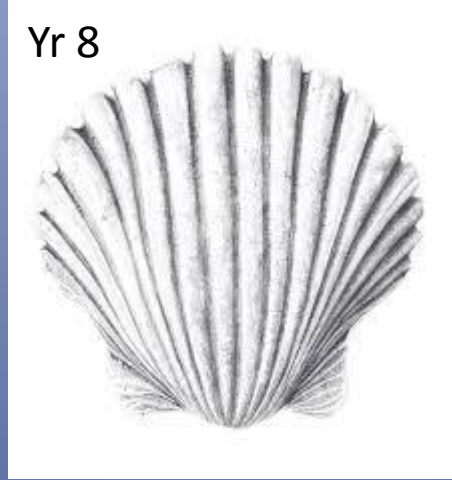

KS3 students have recently sat their end of year exam, this consisted of artists research as well as a first hand study.

Below are examples of what we consider to be above expected progress for years 7, 8 and 9.

Yr 8

Yr 9

All I did was to look at what the universe showed me, to let my brush bear witness to it.

AZ QUOTES

**Year 10 art students drawing directly from nature. They were inspired by Claude Monet's fascination with working 'en plein air'**

Some classes have been set homework, where they have been asked to be the teacher and teach a parent/carer how to draw a natural form, results of this will be in the next newsletter, good luck.
