

November 2016

Dear Parents/Carers,

Discovering new skills and celebrating success are central to learning at Chace. We are always keen to offer as many opportunities for our students to apply their talents in and beyond school.

As part of our work to improve the quality of our Extended Learning provision, we have been considering how best to widen the range of opportunities offered on our programme of after school clubs. As a result, we are pleased to inform you that, alongside our internally run clubs, we will be offering a schedule of after school sessions led by external providers. There will be a cost for registering for these clubs.

The latest class available is as follows;

- Cooking club
- Every Tuesday 3.15-4.30pm
- First Class Tuesday 10th January 2017 until Tuesday 31st January 2017
- 4 weeks
- The cost is £20 per student
- Option One; The cost is £20 per student for the full six weeks paid via Parentpay
- Option Two; The student may attend on an Ad-Hoc basis at a cost of £5 per session, which will be added to their Parentpay for settlement

If you would like your son/daughter to attend this class, please sign and return the attached consent form to the drop box in reception at your earliest convenience as places will be offered on a 'first come, first served' basis. Once your consent has been received, the charge will be added to your Parentpay account so that you can make payment. If you require your log in details for your Parentpay account, please contact our finance office who will be pleased to help.

Please do not hesitate to contact me if you require any further information regarding our Extended Learning Provision at Chace Community School.

Yours sincerely

Mr F Baurain-Levi
Assistant Headteacher

D Bruton
