Fees for late entries, withdrawals, entry amendments and transfer of candidates

We rely on centres to make their entries promptly and accurately. Entries made after the deadline can disrupt tight schedules and affect the delivery of results. We therefore charge late entry fees, both to recover the costs associated with the extra processing and to encourage prompt entries. We will only refund late entry fees in exceptional circumstances.

Series	Entry deadline	Late entry fees (Stage 1)	Withdrawal of entry with a refund until
		<ul style="list-style-type: none"> • Late entries: entry fee + late fee • Option changes*: entry fee + late fee (November: original entry refunded) • Tier changes: free of charge 	
November 2020 GCE A Level, AS, Core Maths Level 3 Certificate	4 September 2020	5 September 2020 onwards	2 October 2020
November 2020 GCSE (other than English and Mathematics)	18 September 2020	19 September onwards	16 October 2020
November 2020 GCSE English and Mathematics	4 October 2020	5 October 2020 onwards	1 November 2020

Candidate entry	The submission of the four-digit entry code (plus any associated tier/option code) as defined in the OCR Entry Codes booklet or basedata issued by OCR. For unclassified schemes, there is a separate entry code for each unit (including coursework units) and also the associated certification entry. An entry fee is charged for each unit or, in the case of linear qualifications, for the overall qualification.
Certification entry	For unclassified qualifications only, an entry to indicate an overall qualification grade, where an award is expected for the candidate in the series. There is no entry fee for certification entries.
Late entry (Stage 1)	Charged for each entry received after the entry deadline. This fee is the equivalent of the original entry fee and is charged in addition to the entry fee.
Pirate entry	A pirate entry is an entry created by OCR in response to work submitted for a candidate who has not been formally entered by the centre. Very late entry fees (Stage 2) will be applied (double the original entry fee) in addition to the original entry fee.
Option change*	This can represent a choice between question papers, the method of moderation (postal or OCR Repository) or the choice to carry forward a candidate's results for an internal assessment. See the OCR Entry Codes booklet for further details and entry and option codes. The method of moderation (postal or OCR Repository) or the choice to carry forward a candidate's results for an internal assessment will not be charged a late fee.
Tier change	This changes the level at which a candidate will sit an exam (i.e. Foundation or Higher). For example, changing J560F to J560H would change a candidate's entry for J560 from Foundation tier to Higher tier.
Withdrawn entry	The removal of a candidate entry after it has been received. For medically unfit, bereaved or deceased candidates, entry fees will be refunded up to one week before results are issued.
