

CHANCE COMMUNITY

New School Uniform
September 2024

Excellence has no limits

Chace Community school uniform

Dear parents/carers and students,

From September 2024, all students will transition into our new Chace uniform. Not only does it look great, it is modern, affordable and gives optionality to suit our students' individuality.

Headteacher: Ms T Douglas BA (Hons) MA NPQH

The new uniform is already being worn by students in Year 7 and all other year groups will need to wear the new uniform from September 2024. As Year 11 will only be in the new uniform for a year, we will be donating a tie and jumper to all students in this year group to keep costs down. We will get in touch in the summer term to explain how these items can be collected.

Our new uniform was a natural transition for our school as we raised the bar to 'excellence' for every child at Chace. Our school motto of 'excellence has no limits' has been embraced by our school community and I am grateful to you as parents and carers for setting this same bar in your households. Speaking to various stakeholders, in particular our students, our old uniform was ready for a refresh and for our new Chace logo and motto to be incorporated into a new modern design.

Our new logo incorporates the Chace Star, formed of two arrows, demonstrating that there are no limits for our students and achieving excellence. No matter which direction their life might take, they are bound for limitless excellence.

Sustainability and cost-effective options have been factored into this decision making. Our new uniform costs will be in line with, and in some instances, cheaper than our current uniform. For parents and carers who are experiencing financial hardship, we have set aside money to move over from the old uniform to the new one.

I am truly delighted to share our new uniform with you all.

Ms Douglas
Headteacher

Frequently asked questions

Q. Why have we changed the uniform?

A. We changed our uniform to create a unique identity for our school, whilst being simple and current. Our new uniform incorporates our new brand and our new logo. The new uniform is smart, affordable and comfortable to wear.

Q. When do students need to start wearing the new school uniform?

A. All new Year 7 students for September 2023 must be wearing the full new uniform on the first day of school in September 2023. All other Year groups will need to wear the new uniform from September 2024.

Q. Is the new uniform more affordable for families?

A. Yes, the new uniform will be more cost effective for families. The new uniform has been costed in line with the current uniform price. Some items will be cheaper (e.g. the new skirt). There will also be more optionality with the new uniform and this will keep costs down. Finally, the 'Essentials' PE kit range is significantly cheaper than the current PE kit.

Q. In September 2024 my son/daughter will be going into Year 11. Do they need a whole new uniform including PE kit for that one year?

A. Students in Year 11 in September 2024 will be expected to wear the new uniform, however, we will not be expecting them to purchase the new PE kit. Year 11 students can wear their old PE kit for their final year.

Q. Who do I contact if I have any queries?

A. Please email chace@chace.enfield.sch.uk

Q. Will we be able to buy trousers or the skirt from supermarkets?

A. No. This is about ensuring we have a consistent and uniform approach. At present, we have a number of students, male and female, who wear versions of trousers that do not meet our policy expectation. By using our supplier's trousers and skirt, this means we will avoid variation in colour and style. This will also be more apparent with a blue uniform.

Q. What items of the new uniform are compulsory and what is not?

A. The blazer is no longer compulsory, you have the choice of either buying a blazer or a jumper. We have removed the kilt due to the increased costs of this item and moved to a plain skirt with a front pleat. We have introduced a reverse shirt, for both male and female, and if they wear the reverse shirt a tie is not compulsory. If you choose to buy a regular button up shirt then a tie must be worn.

For the summer term we will also introduce a blue summer polo shirt with the new Chace logo which can be worn instead of a reverse shirt/ shirt and tie.

Q. When can the summer polo shirt be worn?

A. From summer term 2024 all year groups (yr7-11) may wear the polo shirt. This can only be worn in the summer terms on our return from the Easter holidays and up until we close for the summer holidays.

Excellence has no limits

There's no Planet B.

Make a positive impact with your uniform.

All products featuring the eco tab are made using sustainable or recycled materials. We are passionate about incorporating as many eco uniform items into everyday wear at school, making sustainability a core part of every school's mission.

At present, 1.5% of parents say that sustainability in uniform is their top priority out of 8 factors. This is expected to rise significantly in coming years.
